June 2018

Staff of the month for May has been awarded too...

Dariusz Bandura

For his consistent hard work in supporting clients. Thank you to all our staff for their continued hard work and good luck for next month.

Summer is here

June has arrived already and brought with it beautiful weather, although everyone is hopefully enjoying the sunny rays please remember that yourself and clients can be at risk during a heat wave. Please find below NHS guidelines on how to deal with heat waves:

- Avoid going out at the hottest point of day (11am-3pm)
- Avoid any strenuous outdoor activity like DIY, gardening
- If you must go out stay in the shade. Wear a hat and light loose-fitting clothes.
- A damp cotton cloth placed on the back of the neck a couple of times a day will help keep you cool.
- Keep windows closed while the room is cooler outside. Open them when the temperature inside rises and at night for ventilation.
- Contact your doctor, a Pharmacist or NHS direct if you are worried about someone you are caring for or your own health during a heatwave.

Staff Feedback

"Danielle is always keen to assist where needed and is always happy to be involved with any age through-out the nursery"

"Thank you for sending us Kirsty...she is a real diamond find, we love having her here and she has fitted into the team brilliantly. The participants love her"
