July 2018

Staff of the month for June has been awarded too...

Val Gibbs

For always helping out last minute and being flexible. Thank you to all our staff for their continued hard work and good luck for next month.

The warm weather is coming and we understand that it can be very hot when working in the community with clients. However, it is really important that we continue to dress appropriately for work.

Where possible please continue to wear your Careline uniform for attending duties.

If you are working with a client that prefers you not to wear uniform please remember to dress appropriately and modestly. If you find polo shirts too hot we do have tabards available that you can wear over your own clothes and take them off if you need to.

If you require any uniform please do let us know your preferences and we will get some out to you as soon as possible.
