DRY JANUARY
DRY.JANUARY.ORG.UK

Attention all Homecare workers!

Those of you that support our CQC regulated 1:1 clients will now have received 4 COVID-19 testing kits. These kits will be supplied to eligible staff every month and need to be completed weekly on a Thursday, Friday, Saturday or Sunday.
Please make sure that you inform the office of your test result every week for our records.

If you need any PPE then give us a call as we have some in the office that we can send out

Established in 2013 by the UK charity Alcohol Concern, **DRY JANUARY** is this non-profit organisations flagship campaign which has been changing the conversation about alcohol over the past number of years.
Taking part in the campaign is a chance to ditch the hangover, reduce the waistline, and save some serious £££ by giving up alcohol for 31 days.

Calling all Staff!

Do you have experience working with children and young people?
Would you like to explore opportunities within Careline for working with children and young people?

Careline have a range of training courses that can be accessed to develop your skills and learning within this field:
CYP: Introduction to Supporting Children
CYP: Safeguarding Children and Young People
CYP: Health and Safety for Supporting Children
CYP: Development of Children and Young People

If you would like to discuss this training further please call Lorraine at the Careline office.

Do you know that Careline keeps a copy of your training certificates that you complete?
Do you know that these can be supplied to you at a cost of £4.50 per certificate?
If you'd like to discuss obtaining copies of your Careline training certificates please contact Lorraine at the office to discuss this further.

Welcome to the Careline Team Tineka!

Hi I'm Tineka, I started with Careline around 5 weeks ago and absolutely love it! Every day I'm learning something new. My position here is Lead Client Co-Ordinator, so I will be sourcing new clients who can generate work for you in your area. I look forward to working with you all in 2021. Wishing you all a happy and healthy new year.

COVID-19 CORNER

As you all know, the Government introduced a further set of COVID-19 restrictions on the 20th December and the 26th December which has resulted in all catchment areas that Careline covers being placed into Tier 4.
Please make sure that you are abiding by the regulations in place in order to keep yourself, your family and your clients safe. Careline has an expectation that all of our staff will work within the government guidelines at all times. If you are not sure about any aspect of the current COVID-19 regulations or if you have any other questions please give the office a call.
