**APRIL IS
 PARKINSON'S
 DISEASE
 AWARENESS
 MONTH**

April is the awareness month for Parkinson's disease. Parkinson's disease is a progressive neurological movement disease that affects how the brain controls movement. Main symptoms include tremors, slow movement and stiffness. Whilst there is treatments such as medicines and therapies that can help there is no cure, which is why raising awareness for this debilitating disease is crucial. Currently 145,000 people in the UK are living with Parkinson's disease.

A massive THANK YOU to our staff of the month

CHARLOTTE DALE

Charlotte has gone above and beyond to cover additional shifts and always has a happy and can-do attitude. Thank you so much for all your hard work!

A reminder to all staff that the mobile phone is not manned. All shift queries **must** come via our office number 0118958 58 58, during the hours posted at the top of this newsletter.

Submitting your availability via text or whatsapp is still acceptable.

Disclosure & Barring Service

We encourage all staff to register their DBS on to the government update service. The update service has several benefits for the DBS holder as well as Careline. Registering your DBS on to the update service is quick and easy and costs £13.00 a year, the key benefits include not having to pay for a whole new DBS each year, The DBS also becomes portable meaning it can move between employers and services. For Careline it makes our DBS yearly checks easier and quicker as we are able to log on and do a status check each year.

Please follow the link below that will take you directly to the home page for the update service.
