A massive THANK YOU to our staff of the month

KAREN HOLLIS

We received some lovely feedback about Karen from one of our nurseries that we support. Karen is a valued member of our Careline team and we appreciate all the hard work she does.

Our charity that we would like to put the spot light on for this month is Project 90/10. Project 90/10 is a registered charity organised in the for the benefit of the public to educate, raise awareness and protect children from sexual abuse. Project 90/10 are the home of P.A.C.K (Permission, Awareness, Communication, Knowledge) these packs are created to encourage young people the importance of healthy relationships , how to trust and recognise when to question a relationship with the confidence to know who to speak out to. Please visit www.project9010.com

Our Senior Recruitment and Training Officer , Jessica, will be doing the Thames Bridges Trek. Jessica and her team are walking the Thames Bridges Trek to raise money for Bone Cancer Research Trust to help raise vital funds towards further research to help save lives!
