

April 2025

NEWSLETTER

Our staff of the Month for April is..... Jessica Pollard!

Jessica has stepped up when we have found ourselves in tricky times of needing last minute urgent support. Jessica is punctual, friendly and a real asset to the Careline team, regularly receiving positive feedback from our clients. A big thank you from us all at Careline!

A reminder that the clocks go **FORWARD** on **Sunday 30th** March 2024 at **1AM.**

April is the awareness month for Parkinson's disease. Parkinson's disease is a progressive neurological movement disease that affects how the brain controls movement. Main symptoms include tremors, slow movement and stiffness. Whilst there is treatments such as medicines and therapies that can help there is no cure, which is why raising awareness for this debilitating disease is crucial. Currently 145,000 people in the UK are living with Parkinson's disease.

All the office consultants have had an influx in clients giving positive feedback to our staff. This has not gone unnoticed and we appreciate all the on going hard work from our staff.

Autism is a lifelong disability which affects how people communicate and interact with the world. There are approximately 700,000 autistic adults and children in the UK. Without the right support or understanding, autistic people can miss out on an education, struggle to find work and become extremely isolated.

One of our very own members of support staff, Jessica Pollard, is taking on the mammoth task of completing the London Marathon in June raising funds for The National Autistic Society.

If you would like to follow her progress and support her please visit:

Well done Jessica and we wish you all the best of luck we know you'll smash it!

With Easter just round the corner on Sunday 20th April we would like to express how grateful we are for springtime, chocolate, and eggs-cellent coworkers like you. Happy Easter!

Remember Friday 18th April and Monday 21st April are the two bank holidays in April.
